Spawning Stock Biomass

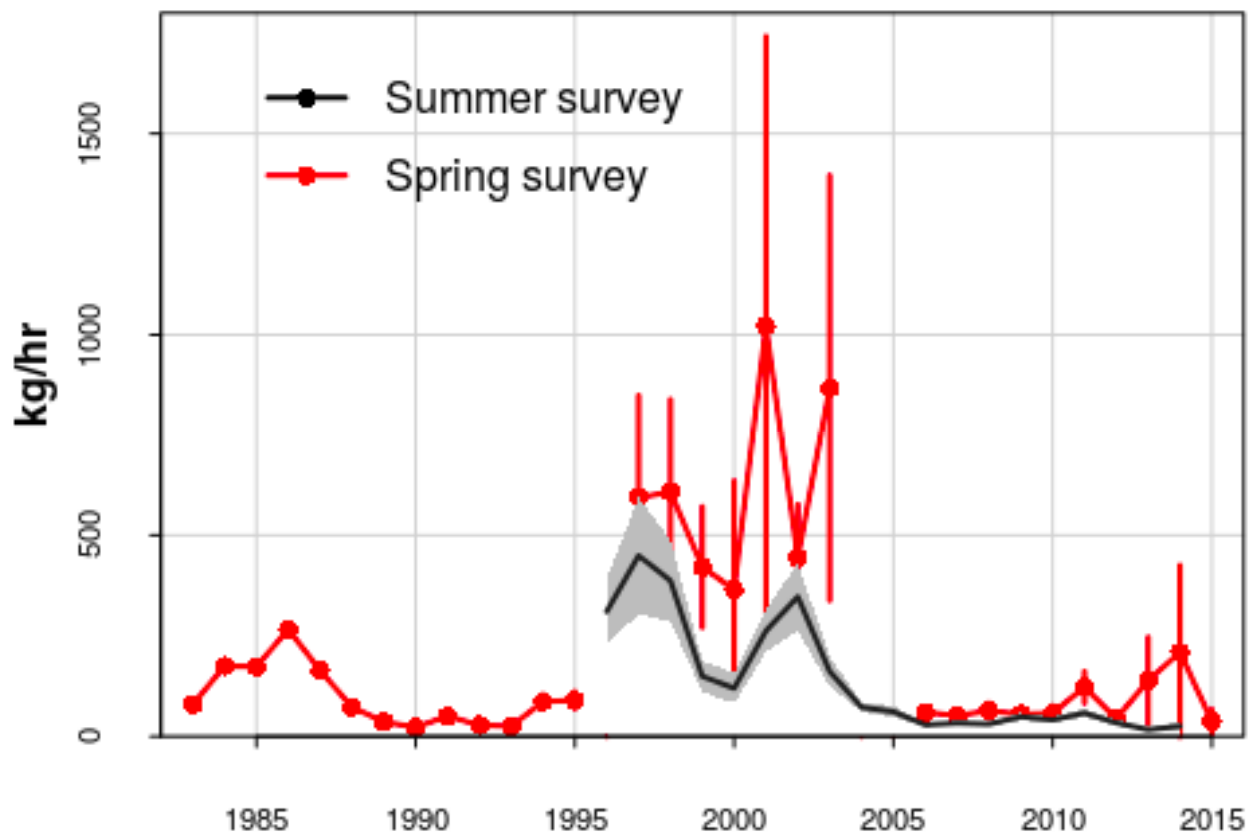

Hýsa, veiðitrýst

had-fero 2015 6607 201554150031

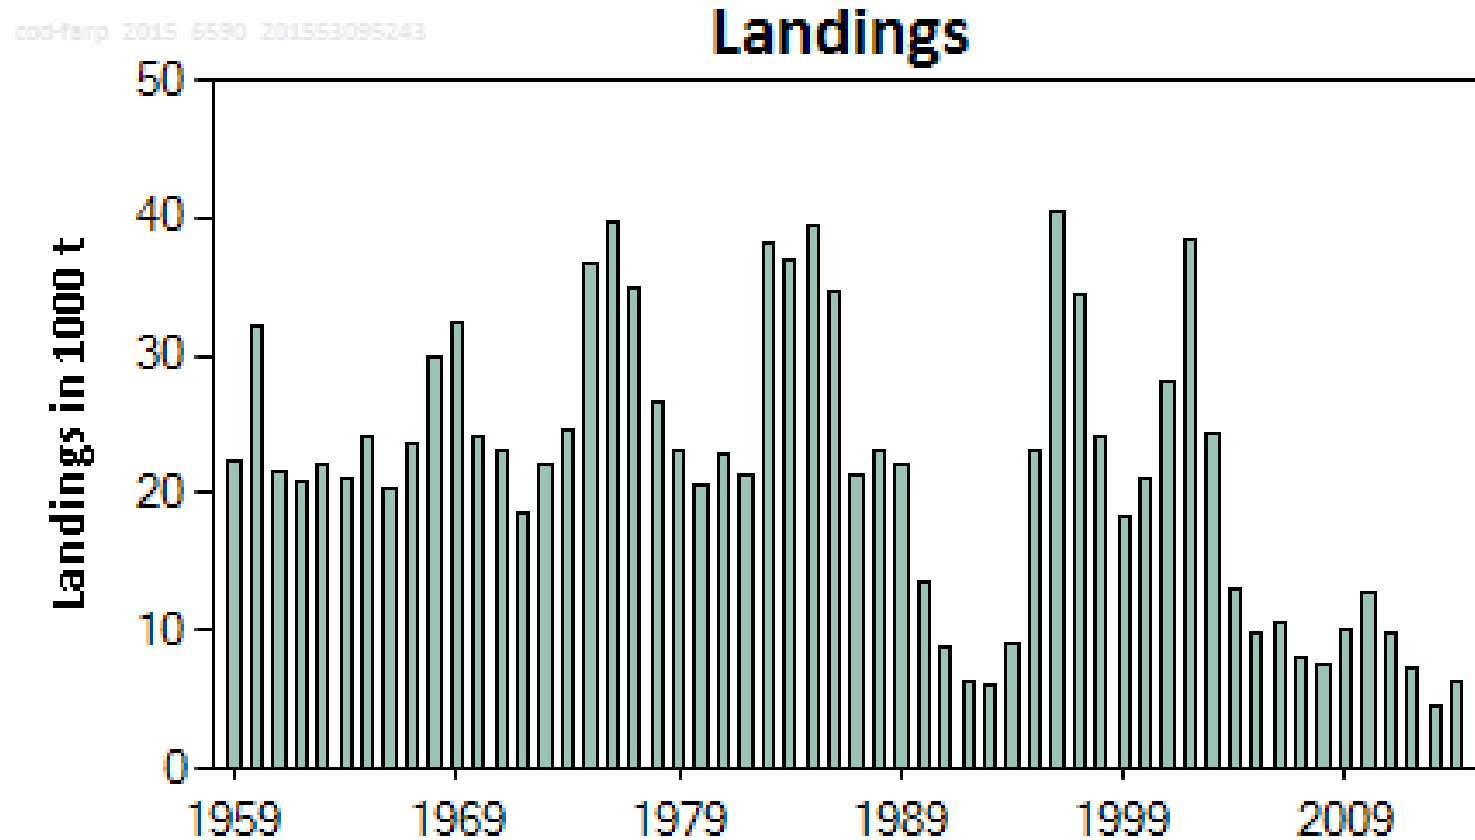

Fishing Mortality

Toskur á Føroyabanka, stovnsstödd

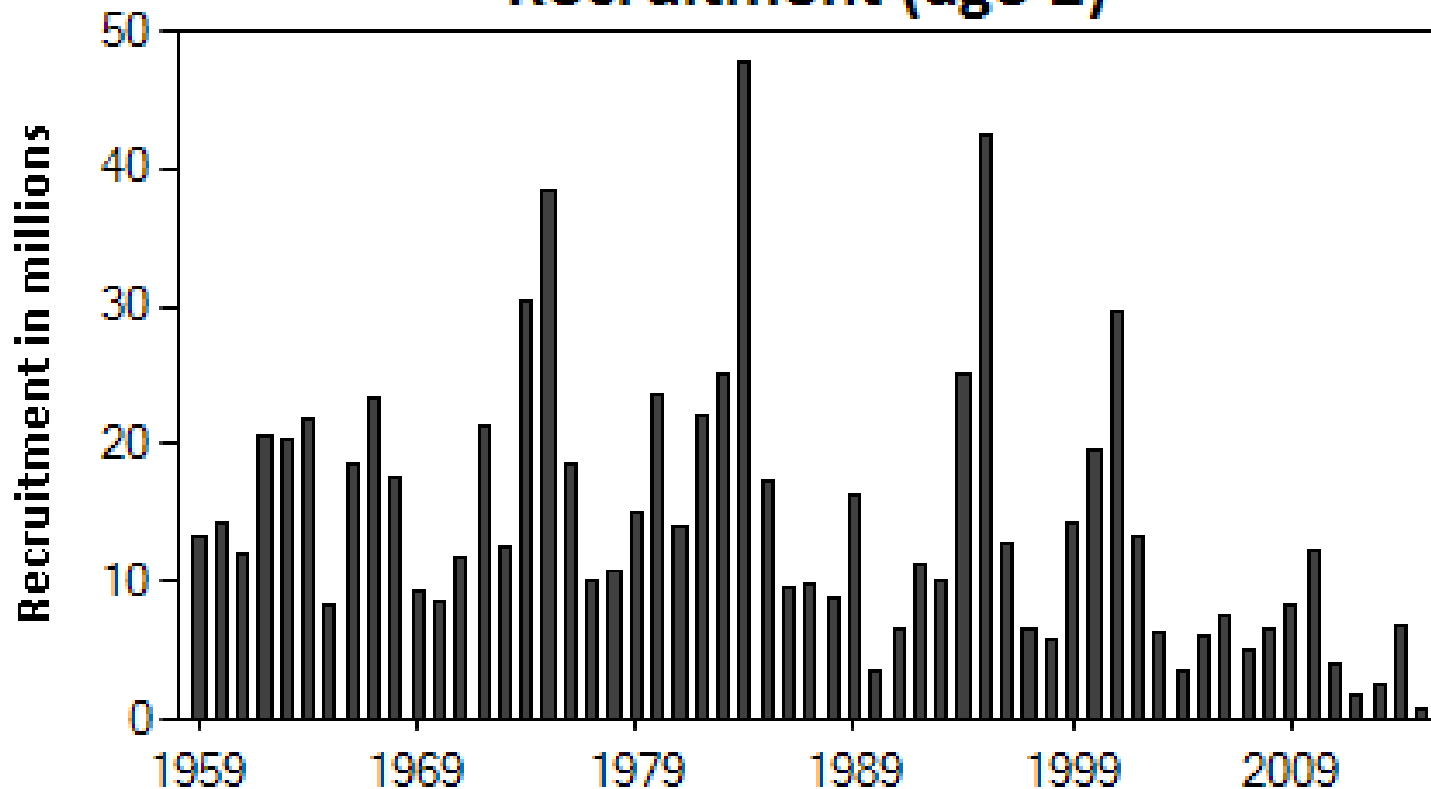

Toskur á landgrunninum

Toskur á landgrunninum, tilgongd

cod-farp 2015 6590 201553095243

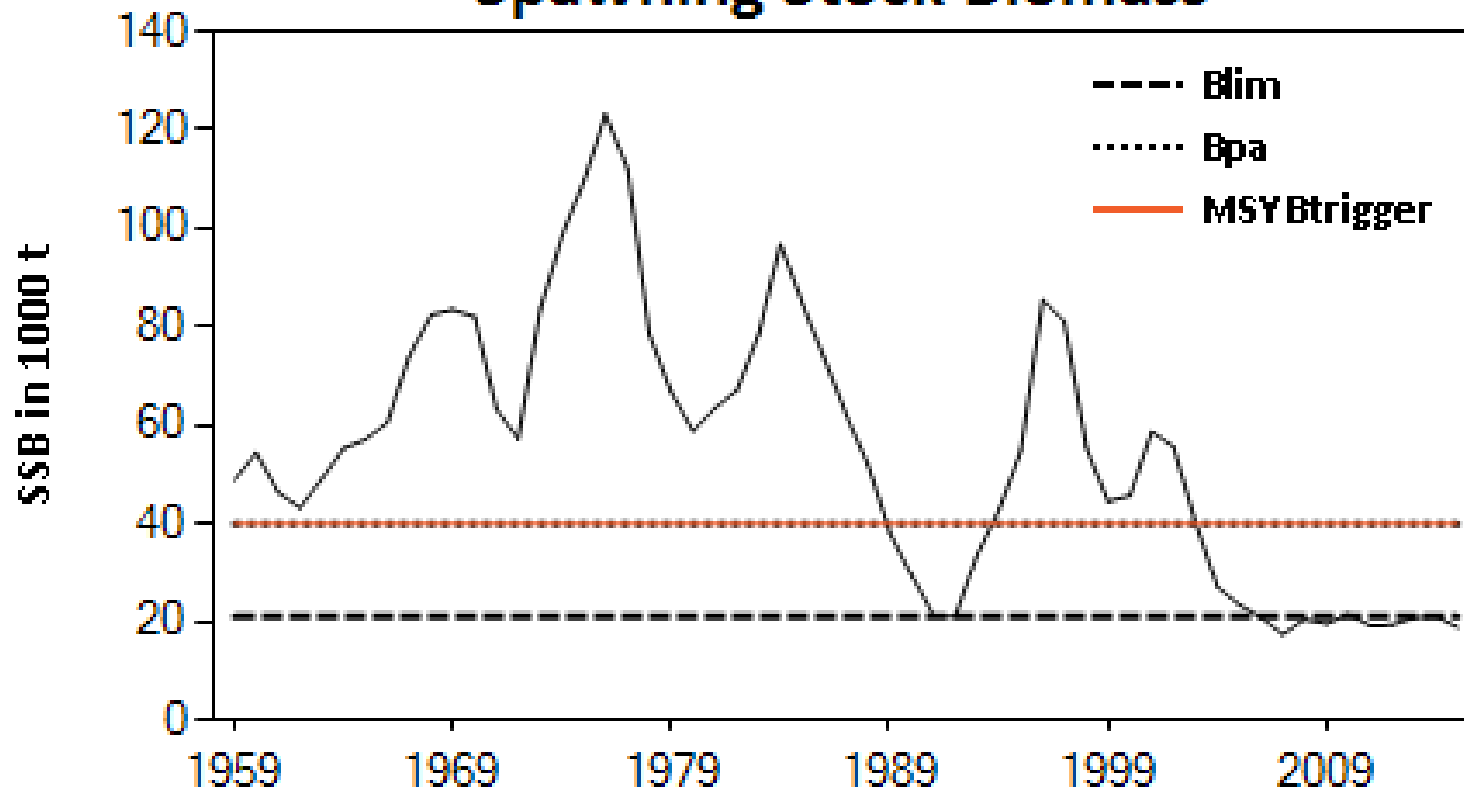

Recruitment (age 2)

Toskur á landgrunninum, biomassi

cod-farp 2015 6590 201553095243

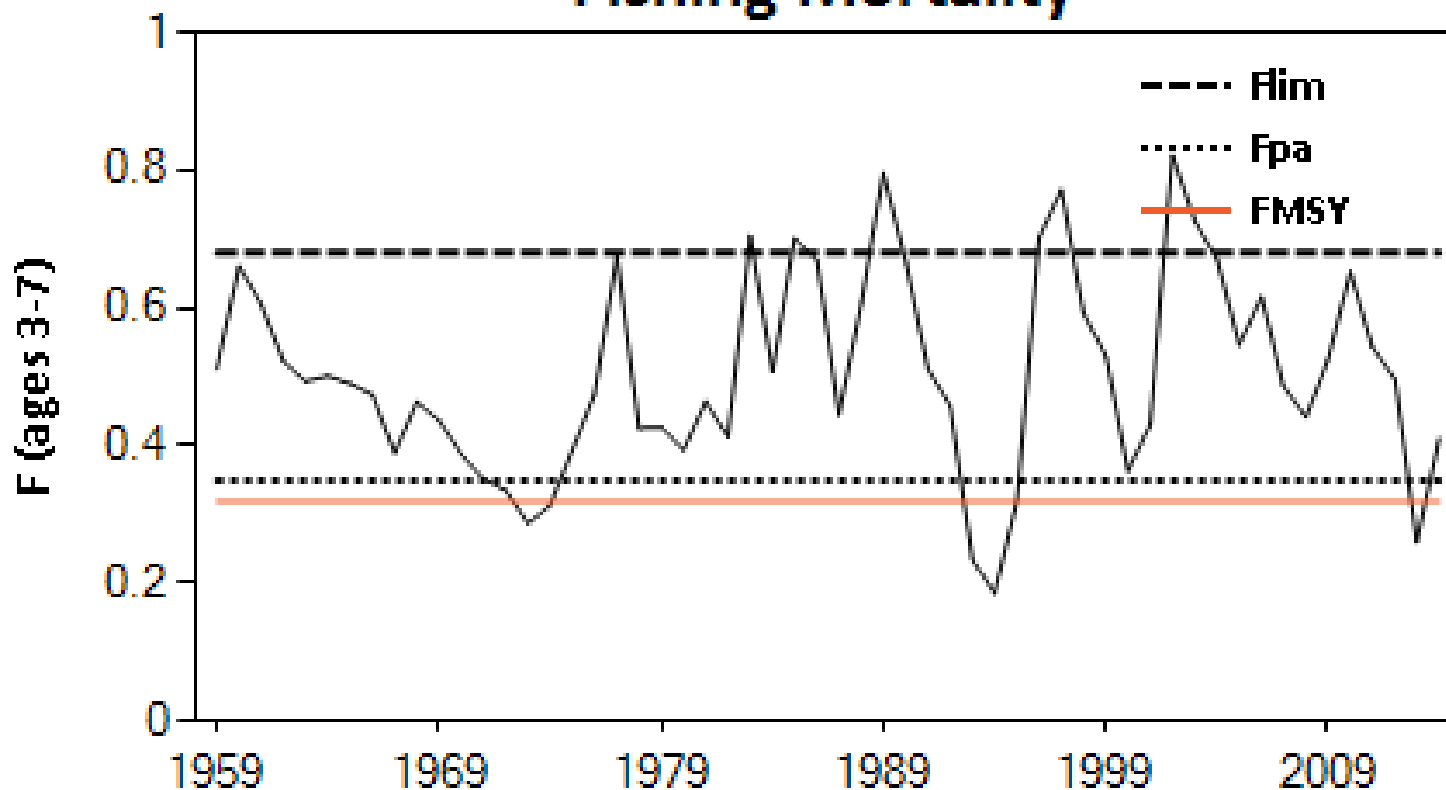

Spawning Stock Biomass

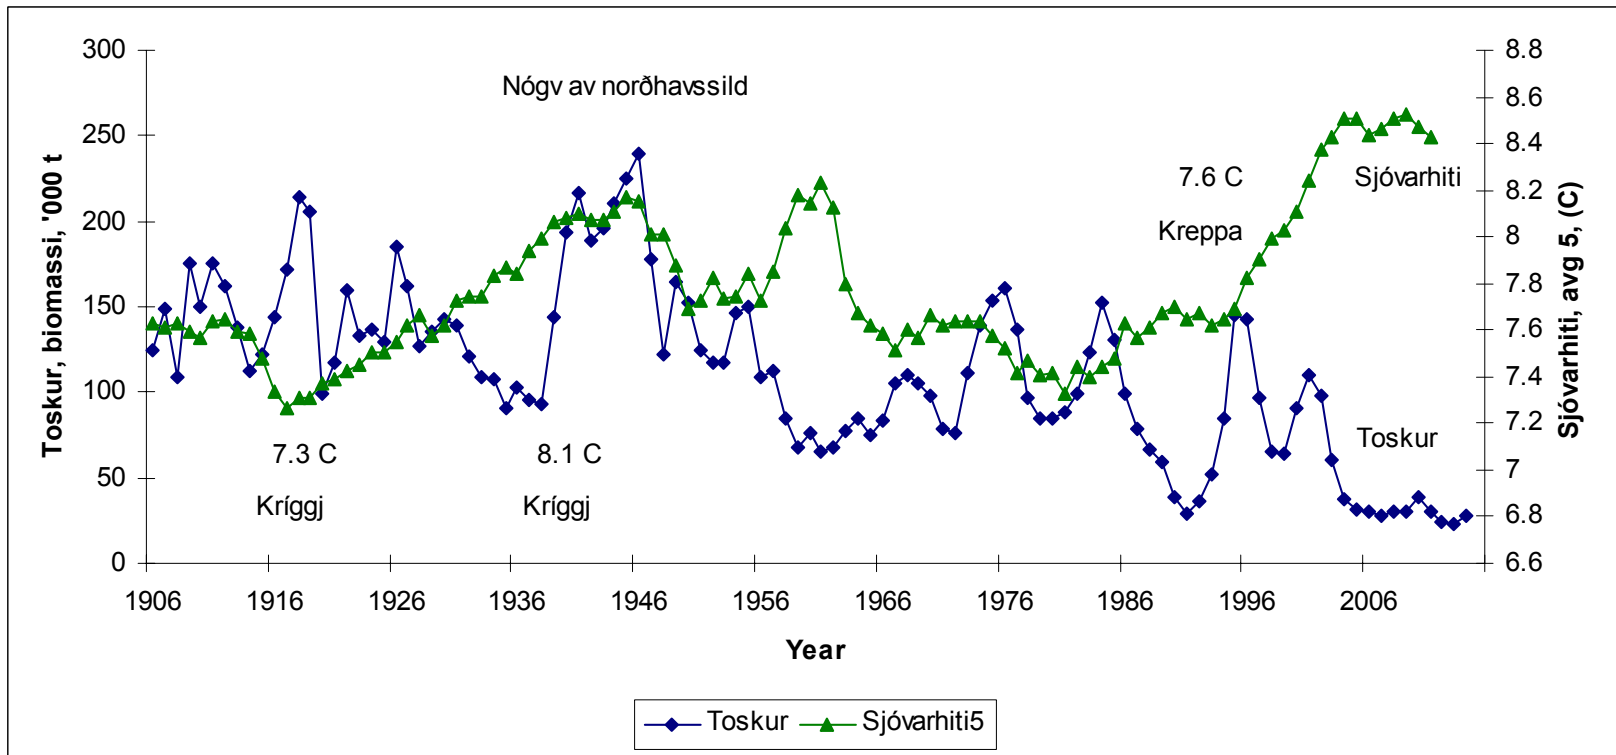

Toskur á landgrunninum, veiðitrýst

cod-farp 2015 6590 201553095243

Fishing Mortality

Toskur á landgrunninum, biomassi aftur til 1906

Niðurstøður

- Upsi hampiliga væl fyri, toskur, hýsa illa fyri.
- Einkí greitt samband millum sjóvarhita, uppisjóvarfisk, og nøgd av toski seinastu øldina.
- Tykist vera greitt negativt samband millum veiðitrýst og nøgd av toski seinastu øldina.
- Stór øking í toskinum, tá annaðhvørt kríggj ella kreppa hevur verið.
