 - 80 % av smyrjolju
 - 50% av brennolju

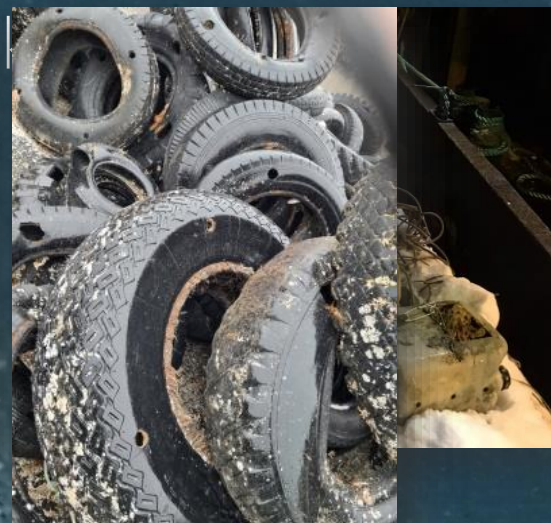

Framtíðar fiskiskapur

- Alternativ orka.

Á havsins botni

- Koyr á vestfalli.
- 1000 tals bildekk o.a. burturkast norð til Oyrar.

A glass cloche with a glass knob, resting on a wooden tray with greenery, on a dark plate. The cloche is partially filled with a yellow substance, possibly butter or cheese. The wooden tray is decorated with fresh green pine branches. The entire arrangement is placed on a dark, circular plate. The background is dark and out of focus.
