A photograph showing a group of women gathered around a table. In the center, a woman with blonde hair is holding a baby. The baby is wearing a grey corduroy romper. To the right, another woman with long blonde hair is seen from behind, wearing a tie-dye shirt. On the table, there are several potted plants and small vases with purple flowers. The background is slightly blurred, showing more people and what might be a window or a bright outdoor area.

17 mál skulu broyta heim okkara

Tey burðardyggu menningarmálini ("Sustainable Development Goals", SDG) eru ein áheitan til heimsins tjóðir at gera enda á fátækadømi, at verja okkara gongustjørnu og at bøta um lív og framtíðarvánir hjá einum og hvørjum allastaðni. Óll limalondini í sameindu tjóðum samtyktu tey 17 málini í 2015 sum part av the 2030 Agenda for Sustainable Development.
